For immediate release: Dr. Marlene Mahipat to be recognized

March 9, 2020

This year marks the 25th anniversary of Top 100 Women. The Daily Record launched this important event in 1996 at a time when the spotlight was not on women leaders yet. As news and information leaders in Maryland we knew it was our responsibility to recognize women leaders, educate our readers on their achievements, make connections so others can emulate these women and have a positive impact on the next generation of leaders.

Twenty Five years later we have honored over 1,500 women from all industries and backgrounds from across the state of Maryland. On April 23rd we will celebrate the 2020 Top 100 Women but we will also celebrate all of our previous Top 100 and Circle of Excellence winners as well as our scholarship winners. There is a great deal for all of us to be proud of.

Dr. Marlene Mahipat was inducted into Circle of Excellence in 2015 when she won the prestigious Maryland Top 100 Women Award for the third time.

Dr. Mahipat won in 2009, 2013, and again in 2015. Three times is the most times a woman can win this award and then they are inducted into the Circle of Excellence.
