

For immediate release: Dr. Marlene Mahipat to be recognized

March 9, 2020

2020 marks the **20th anniversary** of Enterprising Women Magazine! To help us celebrate, we have invited past inductees into the Enterprising Women Hall of Fame to come back and participate in our general sessions on Tuesday, March 31. This is a once-in-a-lifetime opportunity to meet these remarkable women who are legends in their industries and among the top women leaders worldwide.

The Enterprising Women of the Year Awards is widely considered one of the most prestigious recognition programs for women business owners. To win, nominees must demonstrate that they have fast-growth businesses, mentor or actively support other women and girls involved in entrepreneurship and stand out as leaders in their communities. Many of the honorees also serve as leaders of the key organizations that support the growth of women's entrepreneurship.

Award winners were recognized in categories based on the annual sales revenues of their businesses.

Dr. Marlene Mahipat won this prestigious award in 2015 and will be recognized this year at the 20th Anniversary Celebration.
